

ACC Adolescent Counsellors

HV-SASH is looking for counsellors to be providers under the ACC ISSC programme to adolescents (aged 13-20). If you've been thinking about working for yourself, or would like to supplement your private practice, this opportunity could suit you.

HV-SASH offers:

- Counselling rooms (or you can use your own)
- Consistent referrals
- Your choice of client numbers (part time and full time available)
- A quiet and confidential environment with a team of supportive staff
- As a bonus, like-minded colleagues are often on-site

If you have:

- Extensive counselling experience working with adolescents
- Experience working with sexual abuse victims or relevant trauma experience
- Registration with ACC-ISSC preferred (or the ability to register)
- Indemnity insurance (or the ability to organise)

We'd love to hear from you! For more information or an informal chat, please contact:
