ACC Counsellors

HV SASH is looking for counsellors to be providers under the ACC ISSC programme.

If you've been thinking about working for yourself, or would like to supplement your private practice, this opportunity could suit you.

HV-SASH offers:

- Counselling rooms (or you can use your own)
- Consistent referrals
- Your choice of client numbers (part time and full time available)
- A quiet and confidential environment with a team of supportive staff
- As a bonus, like-minded colleagues are often on site

If you have

- Extensive counselling experience
- Experience in working with sexual abuse victims or associated trauma experience
- Registration with ACC – ISSC preferred (or the ability to register)
- Indemnity insurance (or the ability to organise)

We'd love to hear from you. For more information or an informal chat, please contact:
